

Cancellation Policy

We understand that plans can change! To keep our classes running smoothly for all families, please note the following:

- **Cancelling your place:** Please let us know at least 24 hours before your session if you cannot attend.
- **Late cancellations:** Cancellations made less than 24 hours before the class may forfeit the session.
- **No-shows:** If you do not attend without notifying us, the session will be considered used.
- **Refunds & credits:** Refunds are not usually available, but we may offer a credit towards another class at our discretion.
- **Waiting lists:** If a session is fully booked, letting us know early gives another family the chance to join.

Thank you for helping us keep our classes fair and enjoyable for everyone!
